EQUIPMENT CLOSET – Opened March 2019

In the first 6 weeks of operation, CPATH’s equipment closet distributed over \$64,000 worth of equipment to the community. We are on track to distribute over \$200K worth of medically necessary equipment in 2019!!

CPATH’s new program is designed to reuse and exchange pediatric durable medical equipment. We want to ensure that every person can have access to equipment that will meet their needs! Wheelchairs, walkers, standers, car seats, or adaptive bikes... **CPATH is here to help!**

“Brave is my calling!”
